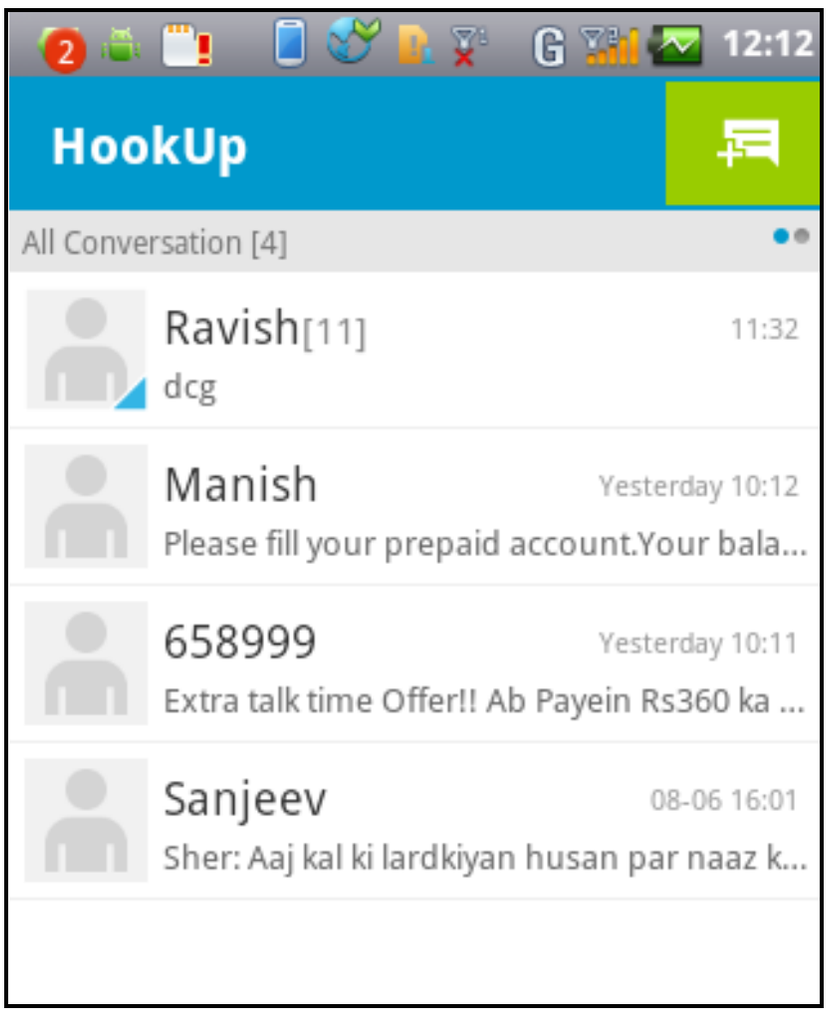
hookUP

Text . Chat . Share

The Hookup application on your handset lets you talk, chat and connect on the move anywhere, anytime with friends from your contact list. As Hookup uses the Internet for sending/receiving SMS, your messaging cost is almost free. Read on to explore more cool features of Hookup.



Whats Cool..

- Send and receive instant messages. Presents conversation in IM bubble sorted by time.
- **Start group chat with friends**
- Share images, photos, voice, sketches, contacts and location.
- **Emoticons**: Hookup offers you lots of emoticons to enliven and make your communication expressive.

Requirements

To enjoy the features of Hookup, all you need are:

- Internet connectivity on your SIM.
- Registration with hookup
- SD card for sharing your files with friends

For information on Setting up Internet connection on your phone, refer to *Connect to Internet* section of the User Guide.

Registration

1. Before registering for Hookup, ensure that SIM Card is inserted in SIM1 slot, and Wi-Fi is Disabled or not connected.
2. Insert SIM card and memory card into the handset.
3. Power on the handset and tap Hookup.

4. Tap > **More > Activate a**nd enter the number of your currently inserted SIM card. Your Hookup will be activated and ready for messaging.

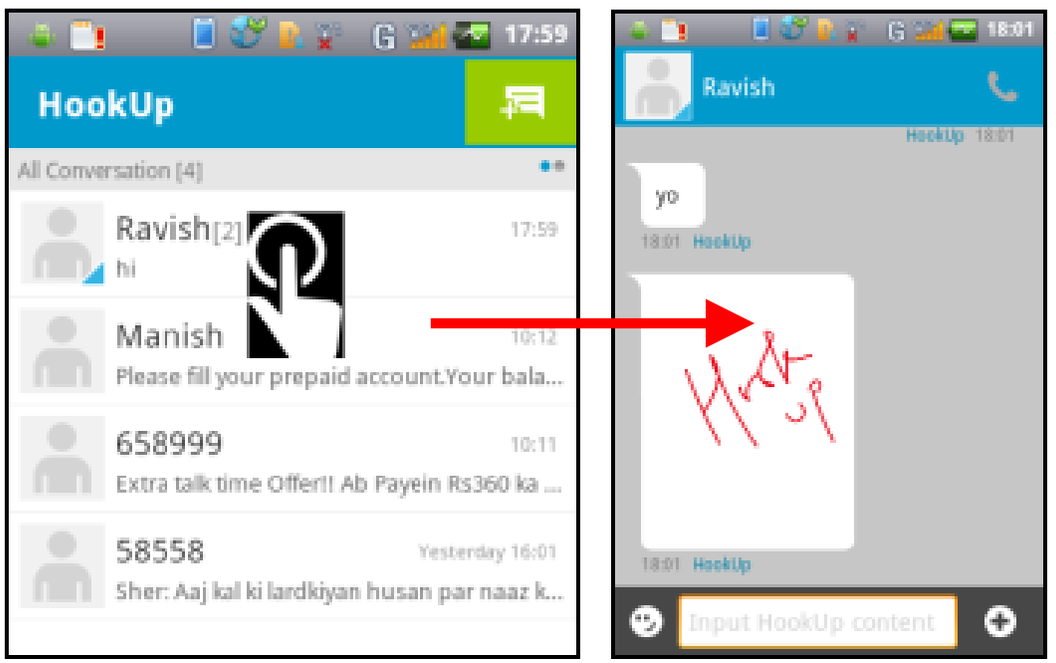
Note:

Hookup allows you to record and send audio clips of up to 60 seconds.

Hookup allows message communications of up to 512 characters or less in 1 SMS.

Start Using Hookup

- Tap Hookup on the main screen.



- Tap on to send messages to any contact.
- Tap on a contact to chat with friends.
- Tap to initiate group chatting, view contacts, search and so on.
- Tap > **More** to set your hookup status and desired preferences.
- Tap on to share snapshots, images, audio, doodle (sketches), location and contacts.
- Tap to revert.

Note: Hookup users will be tagged with a blue mark for easy identification.

Share Your Captured Moments

- Tap Hookup on the main screen.

- Tap on ⊕ to share snapshots, images, audio, doodle (sketches), location and contacts with Hookup friends.
